

Newborn Sessions

POSED STUDIO SESSION

Posed sessions take place in my Mechanicsville studio. They include multiple blanket and prop setups, as well as family and/or sibling photos.

IN-HOME LIFESTYLE SESSION

Lifestyle sessions are naturalistic and unposed. They feature the baby and family interacting within their natural environment.

FRESH 48 SESSION

These sessions take place in the hospital and capture those first moments of your baby's life. Sibling and family photos included.
